PROCESS AND (B) PROTECTIVE ORDER**

This matter came before the Court on GP Rare Earth Trading Account LLC's Ordinary Course Sales – Supplement to Motion for (A) Approval of Gemstone Sale Process and (B) Protective Order [Dkt 86] ("Supplement to Sale Motion") supplementing the Debtors' Motion for (A) Approval of Gemstone Sale Process and (B) Protective Order [Dkt 39] ("Motion"); and the United States Trustee's Objection to Debtor GP Rare Earth Trading Account LLC's Motion for Approval of Ordinary Course Sales [Dkt 97]. The court heard the motion at a November 22, 2019 hearing.

IT IS HEREBY ORDERED:

1. Debtor, GP Rare Earth Trading Account LLC (“GPRE”), is authorized to proceed with the sale of gems and minerals that GPRE presents for sale in its gallery and on its website as they are ordinary course of business sales within the provisions of 11 U.S.C. § 363(c)(1).

2. The gallery, doing business as Chrysalis, is located at The Marshall Building, Suite 604, 207 E. Buffalo Street, Milwaukee, Wisconsin (“Gallery”). The gems and minerals are displayed in a boutique store type setting and each contains a price tag. The gems and minerals are to be sold pursuant to payments made by cash, check, credit card (via Square), or PayPal. The gems and minerals currently for sale at the Gallery are listed in Exhibit A attached hereto at the prices indicated thereon.

3. The website, at <https://www.chrysaliseboutique.com/minerals.html> (“Website”) sells Debtor’s minerals. The minerals are pictured on the Website and the details and price for each is ascertained by hovering the cursor over the particular mineral. The minerals are sold pursuant to payments made by credit card or PayPal. The minerals currently for sale on the Website are listed in Exhibit B attached hereto at the prices indicated thereon, except Numbers 16 and 130, which are not subject to this order. This order is not applicable to the minerals pictured under the tab Explore and The Vault.

4. Debtor will file a monthly update from the prior inventory filed with the Court, identifying items sold, returned to the vault, or added to the inventory at the Gallery or the inventory listed on the Website along with the monthly operating report to advise the updated Gallery and Website inventory, along with the applicable prices for each. Debtor’s Monthly Operating Report will indicate all sales of said gemstones and minerals.

5. GPRE will manually sweep the PayPal account for any all proceeds of sales on a weekly basis, and additionally at any time that \$10,000 or more of funds exist in the PayPal

account. Weekly PayPal account statements will be provided to the U.S. Trustee and monthly report included in Debtor's Monthly Operating Report.

6. GPRE will immediately report by email to the U.S. Trustee any and all purchases by an insider of either Debtor, as defined by 11 U.S.C. § 101(31), including the name of the purchaser, the amount of the purchase, the date of the purchase, and the date and amount of all past appraisals for the item purchased. This information shall be treated as "Confidential Information" pursuant to this Court's Order of November 14, 2019 [Dkt 82].

7. All gemstones and minerals will be sold at the prices indicated on Exhibits A and B attached hereto. Debtors confirm that said prices are at or above the highest appraised value of said item, or if there is no appraised value, at or above the acquisition cost. Any additional gemstones and minerals added to the Gallery inventory or the Website inventory (and filed with the Monthly Operating Report) will meet the same criteria.

8. Debtor will pay all applicable taxes and fees (credit card) on the sales in the ordinary course of business. No commission will be incurred or paid on these sales.
